

Don't Wanna Wake Up

V1

I could lie here while it rains
Listen to you breathe
No need to explain
I could lie here next to you tonight

You can dream, I can pretend
Nothing is real
And nothing ends
You can dream here next to me tonight

Chorus1

I don't wanna wake up
If we're going to break up, baby
I don't wanna wake up, no
I don't wanna wake up
If we're going to break up, baby
Don't wake up on me

V2

I could lie here and watch the clock
As seconds become minutes
There's just no way to stop
I could lie here next to you tonight

You dream and I pretend
Everything's surreal
But everything ends
You can dream here next to me tonight

Chorus2

I don't wanna wake up
If we're going to break up, baby
I don't wanna wake up, no
I don't wanna wake up
If we're going to break up, baby
Don't wake up on me

Bridge

I don't wanna wake up

I don't wanna wake up

V3

I could lie here next to you tonight

Chorus End

I don't wanna wake up

If we're going to break up, baby

I don't wanna wake up, no

I don't wanna wake up

If we're going to break up, baby

Don't wake up on me

I don't wanna wake up

If we're going to break up, baby

I don't wanna wake up, no

I don't wanna wake up

If we're going to break up, baby

Don't wake up on me

Don't wanna wake up / I don't wanna wake up anymore

(repeat to end)
