

Not Your Boyfriend

V1

I can tell what you're thinking
Believe me I'm not surprised
Your courage comes from drinking
I see disaster in your eyes

You fall down
You go away
You run around
You really want to stay
Don't make a sound
We'll be okay

Tell me what you want, what you want now

Chorus

I'm not your boyfriend, no
But we can pretend yeah yeah yeah
And if you just let go
For the weekend

V2

I can see your boat is sinking
Weighted down with your lies
I don't know what I'm thinking
Participating in my demise

You fall down
You go away
You run around
You really want to stay
Don't make a sound
We'll be okay

Tell me what you want, what you want now

Chorus

I'm not your boyfriend, no
But we can pretend yeah yeah yeah
And if you just let go
For the weekend

Bridge

Just let go
Don't make a sound
Just let go

Chorus

I'm not your boyfriend, no
But we can pretend yeah yeah yeah
And if you just let go
For the weekend

Don't make a sound
Yeah yeah yeah
I'm not your boyfriend...
